

### Assignment -3

Assignment Date	01 October 2022
Student Name	Blesson Thomas
Student Roll Number	210419104034
Maximum Marks	2 Marks

#### Question 1:

Create a bucket in IBM objectstorage

The screenshot shows the IBM Cloud Object Storage interface. On the left is a sidebar with navigation options: Cloud Object Storage, Storage instances, Cloud Object Storage-bb, Buckets (selected), Integrations, Endpoints, Usage details, Service credentials, Connections, and Plan. The main area is titled 'Buckets' and contains a search bar, a filter for 'Public access: Yes', and a table of buckets. A blue 'Create bucket' button is in the top right. A green notification box in the top right corner states: 'A bucket created successfully! The bucket ibmcloudobject1 has been created and is now available to add'. The table has columns: Name, Public access, Location, Storage class, and Created. It lists one bucket: 'ibmcloudobject1' with 'Yes' for public access, 'jp-tok' for location, 'Smart Tier' for storage class, and '2022-11-06 3:46 PM' for creation time.

Name	Public access	Location	Storage class	Created
ibmcloudobject1	Yes	jp-tok	Smart Tier	2022-11-06 3:46 PM

#### Question 2 :

Upload 5 images to objectstorage and make it public.writehtml code to display all the 5 images

The screenshot shows the IBM Cloud Object Storage interface with the 'Objects' tab selected. The sidebar is the same as in the previous screenshot. The main area shows a list of objects. A blue 'Upload' button is in the top right. The table has columns: Object name, Archived, Size, and Last modified. It lists five objects: 'clo.jpg' (8.2 KB, 2022-11-06 1:06 PM), 'dow...d.jpg' (8.4 KB, 2022-11-06 1:06 PM), 'dow...d.png' (2.5 KB, 2022-11-06 1:06 PM), 'im...html' (241 bytes, 2022-11-06 1:36 PM), and 'o...png' (40.6 KB, 2022-11-06 1:06 PM). A sixth object, 'sto...x.jpg' (120.9 KB, 2022-11-06 1:06 PM), is partially visible at the bottom.

Object name	Archived	Size	Last modified
clo.jpg		8.2 KB	2022-11-06 1:06 PM
dow...d.jpg		8.4 KB	2022-11-06 1:06 PM
dow...d.png		2.5 KB	2022-11-06 1:06 PM
im...html		241 bytes	2022-11-06 1:36 PM
o...png		40.6 KB	2022-11-06 1:06 PM
sto...x.jpg		120.9 KB	2022-11-06 1:06 PM

#### Question 3 :

Upload a css page to object storage and use the same page in html code

Connections				
Plan	<input type="checkbox"/>	im...html	241 bytes	2022-11-06 1:36 PM

#### Question 4 :

Design a chatbot using IBM watson for hospital assistant : eg. a user comes with query to know the know the branches of hospital in your city . submit the web URL of the chat box as assistant & create watson assistant service with 10 steps and use 3 condition in it.

The screenshot shows the IBM Watson Assistant console interface. On the left, there's a sidebar with 'Manage' selected, containing links for 'Service credentials', 'Plan', and 'Connections'. The main area is titled 'Watson Assistant-yh' and shows it's 'Active'. Under 'Start by launching the tool', there are buttons for 'Launch Watson Assistant', 'Getting started tutorial', and 'API reference'. On the right, the 'Plan' is 'Lite' with an 'Upgrade' button. The 'Credentials' section shows fields for 'API key' and 'URL' with download and show icons. The bottom bar indicates 'IBM Watson Assistant Lite' and 'Upgrade' options, along with a 'Learning center' link.

Welcome to the new Watson Assistant

Next

The screenshot shows the 'Create your first assistant' page. At the top, there's a progress bar with four steps: 'Create' (active), 'Personalize', 'Customize', and 'Preview'. Below the progress bar, there's a chat icon and the heading 'Create your first assistant'. The text says: 'Let's get your assistant up and running. Name your assistant, add a description, and choose a language. In following steps we'll gather more information, show you basic customizations, and give you a preview of what your assistant will look like.' There are two input fields: 'Assistant name' with the example 'Banking Bot' and a 'Create assistant page' button, and 'Description (optional)' with a character count '0/128' and a placeholder 'Add a description for this assistant'.
